Dear The Clerk

Re: Parish Precepts 2023/24

The Borough Council is currently preparing its budget for 2023/24, which will culminate in it setting the Council Tax for each area.

As part of that process I require notification from each parish of the precept, which they will levy in order to fund their expenditure. I should therefore be grateful if you would notify me, by email (Fiona.McArthur@hinckley-bosworth.gov.uk) of the precept you require by 31st January 2023.

For your information the tax base and precept for previous years are shown below:-

	Taxbase	Precept	Council Tax
2022/23	1,688.9	£137,200	£81.24
2023/24	1,753.2		

Please can you confirm receipt of this email, I am not planning to send out a hard copy in the post, however, if you do require a signed copy then please contact me.

If you have any queries or you are unable to meet this deadline then please contact me, I am available Monday to Friday 9am to 2.30pm.

Yours sincerely

Fiona McArthur
